AHIMA Product # AC400223

In the Introduction, Scenario 11, the heading of the second group of answer choices (on p. 22 of the book) should read “Choose the correct **secondary** diagnosis code(s).”

In exam 3, scenario 8 the procedure code answer choices for (i) and (j) should be i. J0690 **x 2** and j. J0696 **x 4**.

In the answer key for Exam #1, question 51, the correct answer choice is **c**. Office or Other Outpatient Services, New Patient, 99202–99205.

In the answer key for Exam #3, question 45, the rationale is correct, but the answer choice is wrong. The correct answer choice should be **b**, not **d**.
